

Health and Behavioural Records

Does your Dog have any Health issues?

Please list any previous or current Health issues your Dog is suffering/suffered with

Is your Dog or Puppy currently taking any medication?

All Dogs are different and have a character of their own, what are your Dogs little quirks? Are there any behavioural issues I should be aware of?

Please list anything you feel may be relevant whilst out on walks or when I collect/drop off your Dog

Please state where your Dog is to be returned to after our walk, is your Dog crate trained? Specific room in the house? How do you encourage your Dog into their Crate/Specified room?

Please list your requirements

Training and Rewards

I would like to find out exactly what stage your Dog or Puppy is at with training so I can assist you further with any training and follow the same techniques you use with your Dog or Puppy.

Specific Commands and Hand signals ~ So I can be sure your Dog will understand me I need to be sure to use the same commands you use yourselves at home, please list the wording you use and any hand signals

	Command	Hand Signals
Sit		
Stay		
Lie down		
Come/Recall		
Heel/Back		
Stay close		
Paw/Wave		
Toilet		
Any other commands you would like training with		

What are your Dogs strengths?

Please list any areas of training your Dog or Puppy is doing particularly well with

Please list any areas for Improvement

What areas of training require improvement? Does your Dog or Puppy come first time on recall?
How does your Dog or Puppy behave on and off lead?

What method of training do you currently use?

Reward based/Dominated/Clicker training
